# Meet Super Seller Skyler Sykes!

One of our last summer's campers earned every single bit of her camp fees - including tuck shop money - by participating in our camp sponsored fundraisers. She is first year Explorer Skyler Sykes, 14 years old and a freshman at Desert Vista High School.

Skyler has been going to camp for three years, ever since her aunt, Sarah Yerby (*Whip*) invited her to go. Skyler loves everything about camp, but especially likes the fellowship with other campers, networking with the friends she's made and - oh yes, archery.

Camp offers three different fundraising opportunities during the year and Skyler does them all. She's developed a solid group of customers who come back every year, and even spread the word to others. She sells the Christmas greens and Butterbraids mainly to friends and neighbors and her mother has found a big market for bed sheets at the office where she works.

Skyler has been selling for three years and this is the second summer that she's earned enough to pay for *everything* connected with camp. If you have an interest in this great opportunity to make getting to camp a little easier, take a page from Skyler's book and do some selling - she's already earning money for next summer's camp!

# Earn Money for Camp

## The Fall Greens Sale is Here

Saguaro Camp Cedarbrook has been providing campers with the chance to earn money for summer camp for many years. Now one of our **MOST successful fundraisers** has arrived - the holiday wreath and greenery sale.

It's super easy to do - you just show people the brochure, which is filled with beautiful photographs of the greenery.

You fill out the order form, collect the money, turn it in and you're done. People can even have beautiful items delivered out of state.

You will get a **six dollar credit toward camp fees for every single item you sell.** Some of our campers have earned ALL of their camp money, and paid nothing at all when summer came along.

**The deadline for turning in your sales is Oct. 28th, so don't waste a minute!**

Selling packets can be picked up at 5601 W. Desert Cove Ave, Glendale, AZ 85304  
Or they can be mailed to participants for a \$3 postage fee,  
which will be deducted from the amount earned.
